QUALITY ASSURANCE & CONTROL

Quality is an important factor when it comes to any product or service. Quality control is essential to building a successful business that delivers products that meet or exceed customers' expectations, and that's JADK do, Quality is JADK's king. We aim to make sure that the expectations of the client, engineer and association are fully complied with and that projects are delivered with a high standard of workmanship in a timely manner. We always use products and materials that meet or exceed the requirements of the contract documents and ensure our staff are adequately trained.

Quality Control

Do our company	Yes	No
Understand basic quality principles?	V	
Conduct internal quality audits?	V	
Conduct contract/order reviews?	V	
Carry out control and control design functions?		V
Inspect/test the product?	V	
Control test and measuring equipment?	V	
Identity Inspection and test status?	V	
Control non-conforming product?		
Carry out corrective action?	V	
Have procedures for handling, storage, packing and delivery?	V	
Maintain records of training/staff selection	V
